Letter of Intent between  

Southern Illinois University Carbondale  

And  

Partner University  

Southern Illinois University Carbondale and Partner University, on the basis of friendly cooperation and mutual enhancement, agree to cooperate in the following areas.

I. Both parties agree to establish teaching and research cooperation on the basis of mutual respect and mutual benefit.

II. Both parties have agreed to explore and develop the following exchange and cooperation programs:
   a. Actively hosting and joining short-term visits and other exchange activities organized by either party;
   b. Setting up a platform for academic exchange between the two universities: On the basis of friendly communication, either university, sponsored by the other, sends professors to give lectures and symposiums;
   c. Developing more programs beneficial to exchange and cooperation between the parties on the basis of friendly communication.

Both parties agree that this Letter of Intent is only a beginning of our friendly collaboration. Details and specific collaborative agreements will be pursued by future discussions.
