MEMORANDUM OF UNDERSTANDING

SOUTHERN ILLINOIS UNIVERSITY
CARBONDALE

AND

SEJONG UNIVERSITY, SEOUL, KOREA

Representatives of Sejong University, Seoul, Korea and Southern Illinois University Carbondale, Illinois USA, have held a series of discussions pertaining to the desirability and feasibility of formal linkage agreement relationship designed to strengthen the bonds between the two English and Linguistics Departments and, in the process, contribute to greater understanding and communication between two cultures.

In recognition of the fact that meaningful programs of the type envisioned in this Memorandum of Understanding requires constant planning and attention, each Participating Entity will appoint a minimum of two representatives to serve as a Planning Committee. At least one member of the SIUC Planning Committee will be a representative of the College of the College of Liberal Arts appointed by the Dean of COLA, and at least one member will be a representative of the Office of International Programs and Services appointed by its director. The Planning Committee will concern itself with the following functions.

1. The maintenance of communication on the ways and means by which such a relationship can be most fruitful for all concerned.

2. The preparation of a recommended course of action for the consideration of officials of the participating entities by August 1 of each year. This plan should cover the proposed activities for the succeeding 12 month period, including details on (the recommended number of faculty, staff, and students to be exchanged) and the proposed methods of financing those activities.

3. The exploration of joint projects and the means to support them.

This Memorandum of Understanding as well as succeeding plans of cooperation shall be effective after approval of the terms of the agreement by the appropriate authorities of the Participating Entities. Cancellation of the agreement may be effected by either party with a notification one year in advance of the anticipated termination.
