MEMORANDUM OF UNDERSTANDING

SOUTHERN ILLINOIS UNIVERSITY CARBONDALE
Carbondale, Illinois, United States of America

and

FACHHOCHSCHULE FURTWANGEN
UNIVERSITY OF APPLIED SCIENCES
Furtwangen, Germany

Representatives of Southern Illinois University Carbondale, Illinois, USA, and the Fachhochschule Furtwangen, Germany, have held a series of discussions pertaining to the desirability and feasibility of a University to University relationship designed to strengthen the bonds between the two academic communities and, in the process, contribute to greater understanding and communication between two cultures.

In recognition of the fact that meaningful programs of the type envisioned in the Memorandum of Understanding requires constant planning and attention, appropriate representatives of each will:

1. Maintain communication on the ways and means by which such a relationship can be most fruitful for all concerned.

2. Prepare a recommended course of action for the consideration of officials of the participating entities by February 1 of each year. This plan should cover the proposed activities for the succeeding 12 month period, including details on the recommended number of faculty, staff, and students to be exchanged and the proposed methods of meeting financial needs.

3. Explore joint projects and the means to support them.

This Memorandum of Understanding as well as succeeding plans of cooperation shall be effective after approval of the terms of the agreement by the appropriate authorities of the Participating Entities. Cancellation of the agreement may be effected by either party with a notification one year in advance of the anticipated termination.
