

Purpose				
J-1 Student Interns are required by federal immigration regulations to submit evaluations to the <i>International Student & Scholar Services Office (ISSS) at the Center for International Education (CIE)</i> to outline whether program objectives are being met. Students should coordinate with their internship supervisors to complete and sign the evaluation form.				
For internships lasting less than six months in duration, only one evaluation is required, a Final Evaluation submitted before the student departs the U.S. For internships lasting more than six months in duration, a Mid-Point Evaluation is also required no more than 15 days from the mid-point of the internship as reflected on the DS-7002. Evaluations should be submitted to the ISSS via email to issinfo@siu.edu with subject line: J-1 Student Intern Evaluation . Note that this form is used for both the Mid-Point Evaluation and the Final Evaluation.
